The 2024 Rhode Island Law Day Program, to be held on Friday, May 3, 2024, Voices of Democracy, teaches students the importance of Americans participating in the 2024 elections by deepening their understanding of the electoral process; discussing issues in honest and civil ways; turning out to vote; and, finally, helping to move the country forward to continue free and fair elections. In this way, Americans ensure that our government remains responsive to the wishes of the people.

Only classroom programs for up to 60 students per class* are offered, and only three classroom programs are available per school. Assemblies are not offered. If you need to request a different date than the May 3rd program, please contact Erin Cute at ecute@ribar.com before submitting this form, as there is limited availability to do so.

Note the time(s) of your classroom program (s) and how many students are participating.*
