The 2020 Rhode Island Law Day Program, to be held on Friday, May 1, 2020, ***Your Vote, Your Voice, Our Democracy: The 19th Amendment at 100***, will explore how the women's suffrage movement forever changed America, expanding representative democracy and inspiring other popular movements for constitutional change and reform. In 2019-2020, the United States is commemorating the centennial of the transformative constitutional amendment that guaranteed the right of citizens to vote would not be denied or abridged by the United States or any state on account of sex. American women fought for, and won, the vote through their voice and action. Complexity and tensions over race and class remain part of the ongoing story of the Nineteenth Amendment and its legacies.

Only classroom programs for up to **60 students per class\*** are offered, and a limited number of programs are available per school. Assemblies are not offered. If you need to request a different date than the May 1st program, please contact Kathleen at [kbridge@ribar.com](mailto:kbridge@ribar.com) before submitting this form, as there is limited availability to do so.
