Designing a Law Firm Technology Platform

With so much technology out there, it can be overwhelming to choose what’s best for your law firm.

At this engaging program, our speaker, Jared Correia, will review your hardware and software options and discuss some of the tough choices you may have to make in order to run a successful law office. He will also discuss important, relevant issues, such as data security, efficiency and delegation.

This interactive session will get your blood flowing and your questions answered!

About the Speaker

Jared D. Correia, Esq. is the founder and CEO of *Red Cave Law Firm Consulting*. Red Cave offers subscription-based law firm business management consulting services for law firms, bar associations and corporations. Red Cave also works with legal vendors to develop programming and content. Jared is also the COO of *Gideon Software, Inc.* Gideon offers intelligent messaging and predictive analytics software built exclusively for law firms. A former practicing attorney, Jared has been providing services to lawyers and law firms for over a decade.

He is a regular presenter at local, regional and national events, including *ABA TECHSHOW*. He regularly contributes to legal publications, including his column, ‘*Managing*,’ for *Attorney at Work*, his ‘*Law Practice Confidential*’ advice column for *Lawyerist* and his column for *Above the Law* focused on the legal technology startup community. Jared is the host of the award-winning *Legal Toolkit* podcast on *Legal Talk Network*. Jared also teaches for *Concord Law School*, *Suffolk University Law School*, *Solo Practice University* and *Becker College*. He loves *James Taylor*, but respects *Ron Swanson*; and, he tries to sneak *Rolos* when no one is looking.
