The 2021 Rhode Island Law Day Program, to be held on Friday, April 30, 2021, *American Society and the Rule of Law*, reminds all of us that we the people share the responsibility to promote the rule of law, defend liberty, and pursue justice. The rule of law is a set of principles, or ideals, for ensuring an orderly and just society. Many countries throughout the world strive to uphold the rule of law where no one is above the law, everyone is treated equally under the law, everyone is held accountable to the same laws, there are clear and fair processes for enforcing laws, there is an independent judiciary, and human rights are guaranteed for all.

Only classroom programs for up to **60 students per class*** are offered, and only three classroom programs are available per school. **Assemblies are not offered.** If you need to request a different date than the April 30th program, please contact Kathleen at kbridge@ribar.com before submitting this form, as there is limited availability to do so.

Note the time(s) of your classroom program (s) and how many students are participating.*
