The 2022 Rhode Island Law Day Program, to be held on Friday, May 6, 2022, *Toward a More Perfect Union: The Constitution in Times of Change*, reminds us that the Constitution is a dynamic document, that not only outlines a blueprint for government, but also delegates power, articulates rights, and offers mechanisms for change. It is neither perfect, nor exhaustive, as our nation's history makes clear. Legislation, court rulings, amendments, lawyers, and "we the people" have built upon those original words across generations to attempt to make the "more perfect Union" more perfect. That effort continues today, as contemporary leaders and everyday citizens raise their voices as loud as ever to fulfill the promise of the Constitution and create a more perfect Union.

Only classroom programs for up to **60 students per class*** are offered, and only three classroom programs are available per school. **Assemblies are not offered.** If you need to request a different date than the May 6th program, please contact Erin Cute at ecute@ribar.com before submitting this form, as there is limited availability to do so.

Note the time(s) of your classroom program (s) and how many students are participating.*
