The 2023 Rhode Island Law Day Program, to be held on Friday, May 5, 2023, *Cornerstones of Democracy: Civics, Civility, and Collaboration*, will focus on rebuilding trust in our institutions, respect for one another, and our willingness to collaborate to address the challenges that face our nation. In recent years, tensions in our democratic system have revealed deep divisions in American society. These divisions are aggravated by incivility in public discourse and insufficient understanding among many people about the Constitution and the way American government works. Together, however, we can collaborate to overcome our differences, resolve our disputes, and preserve our democracy and republic. To that end, we call on members of the legal profession to lead the way in promoting civics, civility, and collaboration—the cornerstones of our democracy.

Only classroom programs for up to **60 students per class*** are offered, and only three classroom programs are available per school. **Assemblies are not offered.** If you need to request a different date than the May 5th program, please contact Erin Cute at ecute@ribar.com before submitting this form, as there is limited availability to do so.

Note the time(s) of your classroom program (s) and how many students are participating.*
